S F THEATRE REVIVES VANE DRAMA HERE

Great Care Taken
In Selecting Cast
Of "Outward Bound"

Great interest centers in the revival of Sutton Vane's drama "Outward Bound," which began its run at the Curran theater for two weeks, Monday. The production is made by The Stage League, Inc., in association with William A. Brady.

"Outward Bound" has had an extraordinary career. Produced first in London in 1923 and later in the same year in New York, it had a phenomenal success. Leslie Howard, Alfred Lunt, Beryl Mercer and others were established by their playing of the important roles.

This year in New York William A. Brady was inspired to revive the play. It was also revived in London. Again in both cities it repeated its phenomenal success.

Wollcott Lauds

In The Stage League production great care has been taken in casting. Cecilia Loftus will play Mrs. Midget and brings to the part an appeal that is wholly unique. Of Miss Loftus, Alexander Wollcott recently wrote: "If all the people who would take deep and astonished delight in her performance were to know it is going on no theater would be large enough to serve her purpose. She would need Madison Square Garden."

Reginald Denny will be seen as Mr. Prior, the wastrel, and those who have delighted in his comedy on the screen will be amazed at the depth and sincerity of his work in this entirely opposite, emotional and dramatic role.

Young Lovers

The two young lovers will be portrayed by Richard Cromwell and Dorothy Jordan. Cromwell is well known as a featured screen actor, and Miss Jordan had reached stardom in the films when she gave it up a few years ago. Now she is returning to public life in the medium she always wanted, the stage.

Cora Witherspoon, Edward Cooper, Evan Thomas, Philip Winter, and Colin Campbell, all screen and stage players of great skill, complete the cast.

"Outward Bound" is staged by Miss Auriol Lee, noted English director. Set and costumes are by Kate Drain Lawson.

Park Improvements Rushed By WPA Crews

Building in Daly City progressed at a rapid pace last week as 45 WPA workers on the lower level of Vista Grande park saw approximately 50 per cent of their work completed; twelve men went to work on the tennis court and retaining wall at the Brunswick street park, and an application was received for the construction of a Richfield Service station at the corner of Gambetta and Mission streets.

The task of improving a n d beautifying the magnificent natural amphitheater on the lower level of Vista Grande park includes the placing of 2,000 cubic feet of loam; a baseball diamond and football field; and the bleachers, which are already nearly one-third completed. Sheltered by the wind, the site will be an ideal one, when completed, for athletic events.

D. C. Councilmen Vote To Continue Local Participation In SFPI Program

Paging Orson Welles! Mars Visits Earth

Bearing no men from outer spaces, the planet Mars will visit its good neighbor, the earth, tomorrow. Astronomers, who have been doing a nice job of watchful waiting, figure the planet will approach to within 36,030,000 miles of the earth, the nearest it has been in 15 years.

Plan Exciting Program of Events For Fairs-County, State, World

COUNTY

With nine weeks still to go to the annual San Mateo County fiesta, entries of floral and agricultural exhibits are nearly double those of last year, indicating that the Fiesta, September 21 to 24, at Bay Meadows, is going to be a bigger success this year than ever before.

Main theme of the county-wide celebration is to be the floral and agricultural displays, although the program also includes a thrill-packed rodeo, with 100 performers, a sportsmen's show and wild life exhibit, an archery contest, and a highlight specialty act that will be announced later.

A total of \$18,560 will be awarded to winning entrants in the various classifications which include: garden display, flower arrangements, cut flowers and potted plants for amateur gardeners and garden clubs; various flowers entered by commercial growers as well as potted plants, shrubs and trees, and professional landscaping displays. In the agricultural division there will be prizes for fruit and vegetable displays from communities, estates, professional gardeners' associations and commercial growers; bees, honey and honey products will also share in the prize awards, as will home canned and preserved fruits.

D. C. Councilmen Inspect New Sweeper

Daly City councilmen yesterday inspected the Hough Motor Pick-up street sweeper demonstrated by the Edward R. Bacon company. Demonstrators gave the machine a grueling test to prove its ability to do a thorough job under any circumstances.

STATE

A parade of high school majorettes will be a feature of the California State Fair to be held at Sacramento September 1 through 10.

It is planned to hold the march of girl drum majors on September 10 as one of the afternoon events before the grandstand.

The majorettes will appear as a group from each school entered, but the event will be non-competitive. A contest, however, for individuals will be held and a trophy awarded.

Each school appearing will receive a suitably engraved plaque. Some entries will be from junior colleges.

All of the high schools of the state have been invited and Secretary-Manager Robert Muckler reports early entries from those nearby.

State Official To Speak Here

Rod Overton, assistant state director for the WPA recreation project, northern division, will be the main speaker tonight at the meeting of the newly-organized Boys' club in the Jefferson Union high school. Other guest speakers include recreation directors from throughout the county who have similar organizations of their own.

Overton is widely known for his work with Boys' clubs, and especially for his sponsorship of the Oakland Boys' groups. At the last regular meeting of the local Boys' club, ten new members were selected: Mario Cardella, Al Bordin, Jack Faulk, Bob Cullen, Ralph Capps, Frank Cohen, Gordon Perry, Leslie Bock, and Sterling Loranice.

Monday Night's Session Sees Adoption of Budget For Yr. Ending June, 1940

Daly City is to continue until June 30, 1940, its participation in San Francisco Peninsula Inc. This decision was reached by a 4-1 vote at a stormy session of the council Monday evening when Councilman Jack Fahey vigorously opposed the continuation of SFPI.

San Francisco Peninsula Inc. is a non-profit promotional advertising organization with the single objective of stimulating and guiding the residential and industrial growth of the peninsula starting at Daly City and continuing south to northern Santa Clara county.

Local Post Office Has New Superintendent

Daly City this week has a new post office superintendent in Adolph Stark who is being transferred here from the city hall station in San Francisco. Stark brings with him a long background of public service in the postal department.

Albert Raymond left the Daly City post office Monday for a promotion to Station P, Geary street at Thirtieth avenue. Raymond had been superintendent of the local station for more than one and one-half years. He was in charge here this spring when the post office moved from its old Wellington avenue address to the new location at 6251 Mission street.

Two sparkling new shows, 15 special events in connection with the celebration of State, community and civic days, the Swine Show, two "Dime Days" and a host of other added attractions will make up the program for Treasure Island visitors for the week from Saturday, July 29 to Friday, August 4, inclusive.

With the two concluding days of the top-notch variety show presented by Betty Grable, Rubino and his violin, Alec Templeton, blind pianist, and Jack Haley as master of ceremonies set for Saturday and Sunday, the rousing new show features Ted Lewis as the headliner.

Imported direct from Paris, the original of the famous Folies Bergere will open in the California auditorium next Thursday with a cast of Parisian beauties and outstanding comedians and specialty artists.

Highlights among the 19 special events will be the celebration of Georgia Day and Swiss Day on Sunday, July 30; Colorado Day and Moral Rearmament Day on Tuesday, August 1; Boy Scout Day on Thursday, August 3; San Leandro Day and Minnesota Day on Friday, August 4.

Party Group Meets in S. M.

With Mrs. Herbert Hoover as guest of honor, the San Mateo county council of Republican women gathered Monday evening for a dinner meeting at the Benjamin Franklin hotel in San Mateo.

Among other representatives from Daly City who attended was Joe Sarto of the Villa sanitarium.

SFPI was organized approximately a year ago and got its advertising program under way in January. So complete and thorough is this advertising program prepared by Gerth-Nolan agency under the direction of a non-salaried board of directors that SFPI was given first award for "Community Advertising" in the all-western contest on Treasure Island, sponsored by the Pacific Advertising Clubs association.

The local campaign competed with those of Metropolitan Oakland, Santa Barbara, San Diego and many others throughout the West, and received first prize on the basis of excellence and thoroughness of planning and execution. Strange, but true, SFPI budget (\$35,000) was the smallest of all contestants, some campaign budgets in the contest running as high as half a million dollars.

During the first six months of this year (the period that SFPI's advertising has been under way) building permits in Daly City have increased approximately 25 per cent as compared to the corresponding period last year. Increase in building permits on the peninsula (the area which the advertising program has represented) has been similar to the increase in Daly City, while other bay area centers have registered practically no additional stimulation in the building industry.

The council passed a resolution adopting the budget for fiscal year ending June 30, 1940. Increased proposed appropriations over last year's budget were necessary in several departments, but the increase in tax receipts from new construction and other sources makes the 1939-40 budget compare favorably with 1938-39. Mayor Selmi introduced an ordinance providing for the adoption of the Standard Gas code. J. O. Carr was granted a permit to construct a gas station at the corner of Como and Mission streets.

The council instructed Engineer Julius F. Castelan to proceed immediately with the construction of a new pound for stray animals. Location of the new pound will be near reservoir No. 3, east of Hillside boulevard.

The council charged the Board of Fire Commissioners with the responsibility of burning off lots which constitute a fire menace. J. W. Johnson submitted his resignation from the fire department stating that his present employment prevented him from giving the service he should like to perform in the department.

G. S. McPherson, 618 San Diego avenue, and Jack Sumner, 301 Crocker avenue, made applications for membership in the fire department.

New Light-Weight Tractor

Demonstrate New Ford Tractor

Specifications of the new light weight Ford tractor incorporating the Ferguson system of hydraulic controls for unit implements, were released recently.

More than 400 representatives of newspapers, farming and technical journals, agricultural officials, business leaders, and representatives of foreign governments, guests of Henry Ford, attended a preview on Mr. Ford's estate and saw for the first time the new mechanized system of farming.

In explaining some of the new features, Harry Ferguson, who developed the principles embodied in the new tractor and implements, said the new light weight tractor and light weight unit implements would do all the work on a farm that animals do, and at far less cost. He explained that the mechanized system takes the drudgery out of farming, gives the farmer more profits without increasing the cost of food-stuffs to the consumer. Not only is farming made easier but it is also made interesting and attractive to youth.

Chrysler Wins First Place In Oakland Race

For the second consecutive time, a Chrysler flashed across the finish line at the annual Oakland 250 Mile Stock Car Championship Race, held recently, to place first against a field of 24 competitive entries, according to A. L. Timossi, Mission Auto company, Chrysler-Plymouth dealer here.

The car was a stock Chrysler Imperial entered by Phil Davis, East Bay Chrysler-Plymouth dealer under the distributorship of James W. McAlister, Inc., Northern California distributor. The race embraced a wider variety of stock cars than was ever before featured in the annual event.

At the wheel of the Chrysler was Wally Schock, a hard-riding young dare devil from San Gabriel, who held a wide lead from the very beginning of the race. He captured \$100 for winning the first 100 laps and another \$400 for finishing first, in addition to a handsome bonus given him by Phil Davis for his splendid performance before a crowd of 9000 enthusiastic race spectators.

In addition to the Chrysler Imperial, Phil Davis entered a Chrysler Royal also, driven by Fred Agabashian, young Berkeley race pilot who last year won the Oakland Stock Car Race at the wheel of a 1938 Chrysler Royal against a hotly competitive field. In this year's event, Agabashian had the misfortune to lose a wheel on three different laps due to heavy tire equipment.

A point of competitive interest in the 250 mile race, Timossi pointed out, was added by the American Racing association's ultimatum that each car may have no more than five gallons of gasoline in its tank at the take-off, and may receive no more than five gallons at each consecutive refueling during the race. The average speed of the Chrysler for the 250 miles was 72.6 miles per hour.

Timossi said that this year's race was the second stock car race in which a Chrysler was entered. In both races, Chrysler placed first.

Sales Increase For Studebaker

Studebaker retail sales for June of this year show a phenomenal 156.2 per cent gain over sales for the same period a year ago, according to figures just released by C. K. Whittaker, president of the Studebaker Pacific corporation. The gain for Studebaker during the first half of this year was 82.8 per cent above 1938.

The automobile industry as a whole in June showed a 40.4 per cent increase in California over June of last year. The first six months of 1939 gained a 38.4 per cent lead over the same period in 1938, according to figures from Donnelly's Motor Recorder. While final figures for the eleven western states have not been released for the six-month period, Motor West reports an increase of 35.3 per cent for the first five months on the Pacific coast.

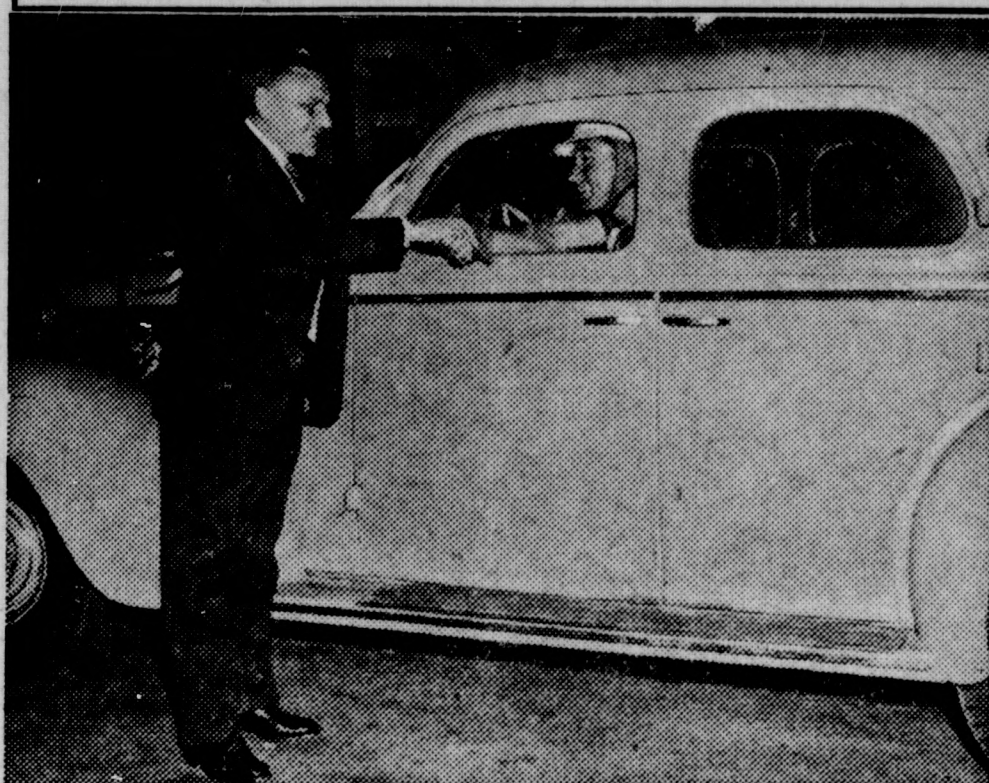

As a result of these gains, the Los Angeles Studebaker factory is operating on a full production schedule five days a week for the entire month of July.

Local Studebaker dealer is William J. Sweeney, 6806 Mission street.

Mr. and Mrs. A. W. Sadler, Risel street, are entertaining as house guests Mrs. Zina Butler and Miss Lila Butler of Payson, Utah.

The men behind the dozens of cold drink counters sprinkled over the grounds of the New York World's Fair don't need to look at a thermometer to know when the day is hot. They can gauge the temperature by the speed with which the nickels roll in for iced pop.

1939 PACIFIC COAST CHAMPION

A 1939 Chrysler recently won the Pacific Coast Stock Car Racing Championship for the second consecutive time, when Wally Schoek (pictured above receiving congratulations) placed first in a gruelling 250-mile race at Oakland, California. Twenty-five stock automobiles were entered, and according to A. L. Timossi, Mission Auto company, Chrysler-Plymouth dealer here, the event afforded dramatic proof of Chrysler's finer engineering and its ability to "stand the gaff."

Mrs. W. J. Smith Honored at Dinner

Mr. and Mrs. George McDonald sr., Cuesta La Honda, entertained friends last Sunday with motion pictures of Yosemite valley, and of Alaska country as far north as Sitka.

Later a dinner was served in honor of the birthday of Mrs. W. J. Smith, July 14, and Mrs. Hazel Barker, July 15.

Guests at the affair included

Mr. and Mrs. Clifford Du Jardin sr., Miss Barbara Packham, San Francisco; Mrs. Hazel Barker, Placerville; Mr. and Mrs. W. J. Smith, Miss Ruth Smith, Willits street; Mr. and Mrs. George McDonald jr., San Pedro avenue.

Society is going for the New York World's Fair in a big way. Dinner parties at the more elaborate clubs and restaurants at the Fair are becoming fashionable with the smart set.

Interest Grows In Sewing Classes

Increased enrollment in WPA recreational sewing projects the past week has made necessary the formation of an additional sewing class, according to Enid F. Tandy, local recreation director.

With Mrs. Lela Campbell as teacher, the new class will be held from 1 to 5 p. m. every Monday at the Recreation office, 101 Parkview avenue. Any adult is welcome to enroll.

Other sewing classes are held at 7:30 p. m. Tuesdays and Fridays. Instruction is given in knitting, crocheting, quilt-making and dress-making, with special emphasis on cutting foundation patterns. Work is also done in various papercrafts, such as the making of artificial flowers and table decorations.

Foresters Plan Monthly Whist

Vista Grande Circle No. 253, Ancient Order of Foresters, will hold their regular monthly whist Tuesday evening, August 8, at Eagles hall. Mrs. Mary Dougherty will be chairman for the evening.

Buick Sales Show Upturn

With a gain of 42.5 per cent over June of last year, Buick sales during June of this year totaled 19,186 units as against 13,463 Buick deliveries for the same period last year.

The month reflected a sustained demand for cars in the domestic market and gave evidence of better than normal strength for the remaining summer months, according to W. F. Hufstader, general sales manager.

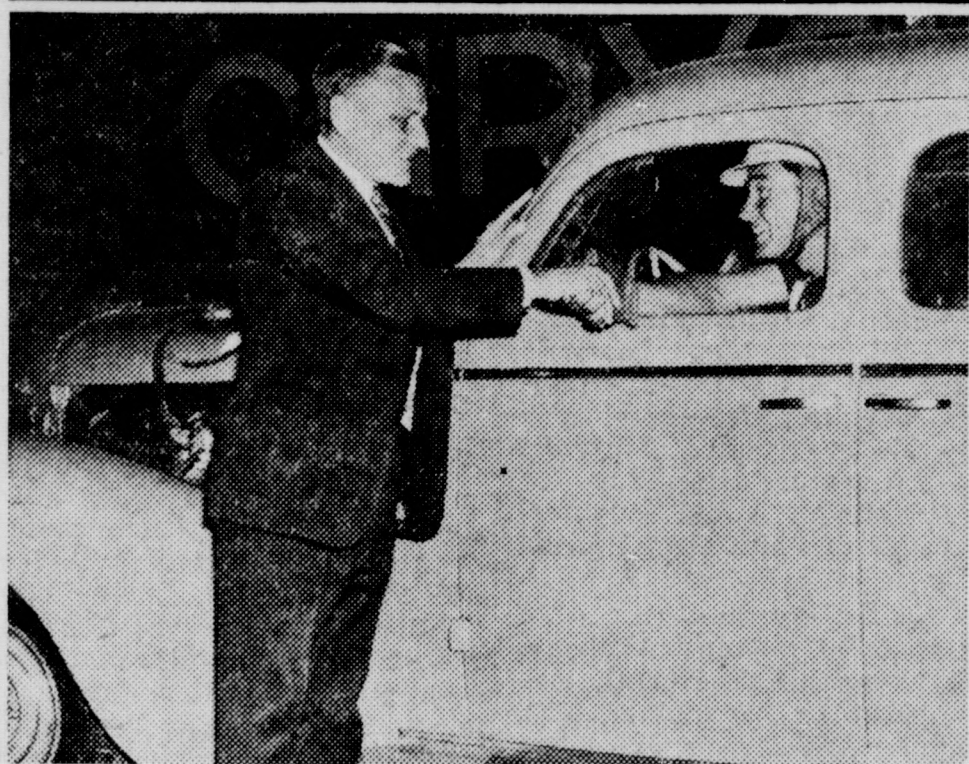

The volume during the first six months of this year was the best it has been since 1927, substantially exceeding the previous highs of the past decade, Hufstader said.

Buick is on display locally at Belli Motor company, Daly City and Colma. John Soldavini is manager.

When Austria Started World War 25 Years Ago

Twenty-five years ago Friday Austria declared war on Serbia and thus precipitated the World war, just 30 days after Archduke Franz Ferdinand had been assassinated at Sarajevo. Photos show Count Berchtold, foreign minister of the old Austrian-Hungarian empire, whom Biographer Emil Ludwig blamed for inducing Emperor Franz Joseph to war on Serbia; and Serbian troops manning heavy field artillery which helped make the Austrian invasion a disastrous failure.

Miss Riddell Weds Dr. Steiger

Miss Ellen Louise Riddell, San Francisco, was married at 8:30 p. m. Saturday to Dr. Alden C. Steiger at a Lutheran church in San Francisco. Following the ceremony, a reception was held at the Mark Twain penthouse for more than one hundred friends and relatives.

Insect Menace Spreads Rapidly

Methods of control of the European earwig, a household pest as objectionable as the cockroach, and one causing serious damage to crops and gardens, were discussed this week by Max J. Leonard, agricultural commissioner.

The earwig, according to Leonard, has become firmly established in Daly City and Colma. Relatively new to California, it has caused serious household distress and garden damage in the Northwest over a period of years.

Brown in color and varying from one-half to three-quarters of an inch in length, the insects have proved particularly damaging in this area to young lettuce, pansies, sweet peas, and all young succulent crops. Within the house, they crawl under rugs, folded clothing, into pantries and other places of darkness and seclusion.

Methods of control are relatively simple, Leonard pointed out. The first step is a thorough cleaning of all premises where there is any trash piled or distributed, or rank weeds growing.

The second step lies in the liberal use of any good snail bait, preferably moistened. Repeated applications are necessary, Leonard stated, for successful control, and the program must be carried on over a period of two or three years in order to assure complete eradication of the pests.

D. C. Drill Team Takes First Place

Continuing their policy of winning cups wherever they go, the Daly City Juvenile Drill team returned home Sunday from Miraloma park with another first trophy to add to their collection.

The picnic at Miraloma park was given by the Improvement club of that district, attended by an unusually large crowd. In the drill competition following the picnic, Miss Rose led her team out to win first place.

All Stars Tie In S. S. F. Tussle

In a hotly-contested game that left spectators breathless and the final score standing 4 to 4, Daly City All Stars tied with the Irish Town All Stars Saturday in South San Francisco.

The local boys played a hard game and one that was difficult to meet. It was thought that a play-off would be held some time this week at the Jefferson Union high school.

In the second game of the double-header, Daly City Vikings were less fortunate than the All Stars. The Vikings lost 3 to 5 to the Irish Town Yankees.

DIX CONSIDERS SAM HOUSTON TOP SHOWMAN

Richard Dix believes that Hollywood, a city of showmen, could take a lesson or two from Sam Houston.

Dix portrays the great American in Republic's "Man of Conquest," which comes tomorrow to the Daly City theatre. The screen star made a long and deep study of Houston's life in preparation for the role, and became intimately acquainted with Houston's character.

"One of the greatest showman who ever lived," Dix describes Houston. "He was colorful to the tip of his toes."

Companion Feature

James Stewart clips Claudette Colbert on her charming chin five minutes after they had met, knocking her cold, but only for photographic purposes, the action taking place during their first scene in "It's a Wonderful World," companion feature on the new bill opening tomorrow at the Daly City theatre.

The sequence is one of the comedy highlights of the rollicking mystery story. Miss Colbert plays Edwina Corday, a poetess, who joins forces with Guy Johnson, a young detective, Stewart's role, to solve a murder. When Miss Colbert's scatterbrained activities try him beyond endurance, Stewart biffs her.

With a cast of sterling fun-makers which includes such favorites as Guy Kibbee, Nat Pendleton, Frances Drake, Edgar Kennedy and Ernest Truex, "It's a Wonderful World" romps its unconventional course in fast-paced action through a series of fascinating backgrounds.

New Officers For NSGW, NDGW

At one of the most impressive installation ceremonies of the year, Native Sons and Daughters of the Golden West, El Carmelo Parlors Nos. 256 and 181, last Tuesday evening inducted new officers, to serve until December 31.

Music, gifts and flowers highlighted the affair, with friends and visiting officials from all over the Peninsula present to offer congratulations and assist with the rites.

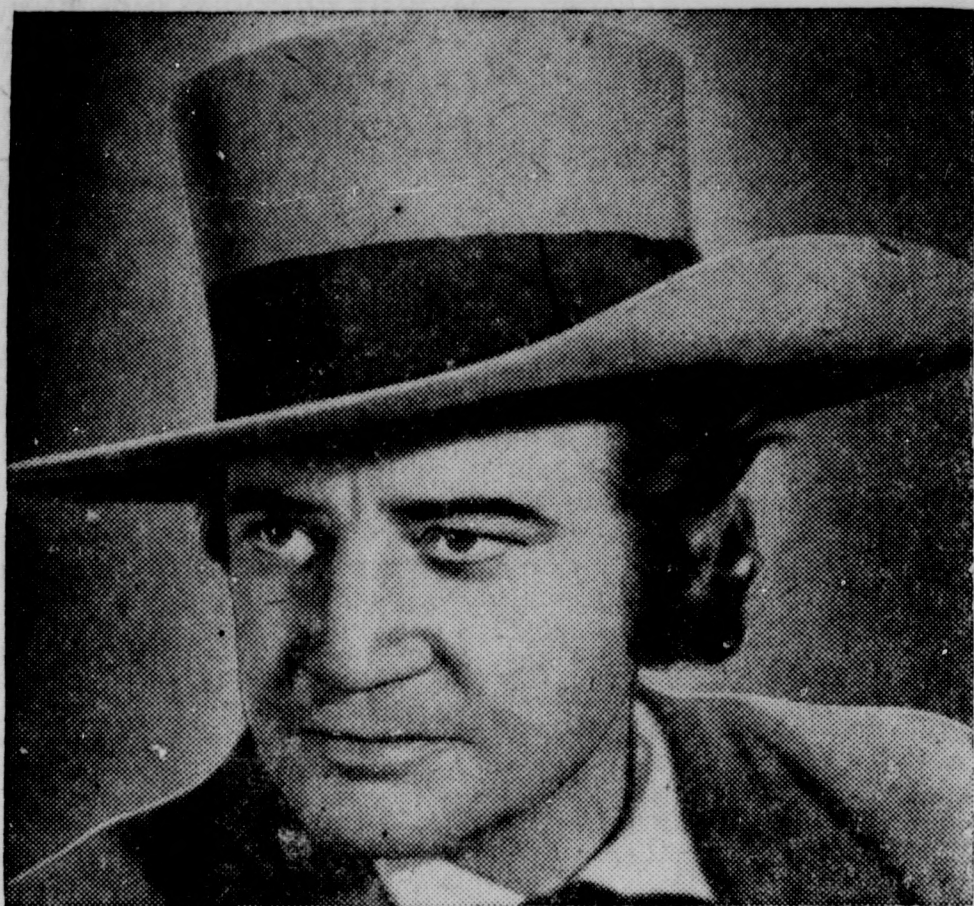

In leading speeches both the Sons and Daughters spoke of their sense of responsibility toward their community and country, and expressed a fine idealism in dealing with the problems that confront both.

The Native Sons brought to a close a most successful term, made memorable by their sponsorship of the city hall dedication here this spring.

A speech by the new president, Marian Titcomb, reviewed the work of the Native Daughters organization in genealogy, public affairs, veterans' hospitals and the care of homeless children.

Several memos of Bonita Parlor No. 10, NDGW, were installing officers for the ceremony. Mrs. Jesse Leslie Hann, district deputy, conducted the installation; Miss Jessie MacPherson was acting grand marshal; Miss Madeline
